

Florida Court Interpreter Certification and Regulation Program

Registry of Language Skilled Court Interpreters

German Language

The language skilled designation represents the highest qualified state-level interpreter designation for languages for which there is currently no state-certifying examination and shall be the preferred designation over non-designated interpreters in the selection, appointment, staffing, or private retention of court interpreters in the area of the language skilled individual's linguistic expertise. The language skilled court interpreter has completed all requirements and holds a certificate that is valid for two years and renewable upon successfully meeting maintenance of registration requirements. In the event a language-specific, state-certifying examination becomes available, a language skilled court interpreter shall be required to pass the examination within two years of notice of its availability. Failure to become certified within the two-year period shall result in loss of the language skilled designation, unless the board approves an extension in extenuating circumstances.
